- Amazing effort Penrith – together, we have collected more than 200 mobile phones that will help to save lives in our community!
We recently called on residents to donate any old, unwanted phones that would be sent to registered charity DV Safe Phone, to support those dealing with domestic violence.
These safe phones are being tested, refurbished and paired with chargers before being sent to Penrith's distributors, meaning they will end up in the hands of people who need urgent access to emergency services and support, and survivors who are starting over. There is still time to drop off a phone that can make a difference.
