COUNCIL BRIEFS

- Discover St Marys in a new light. Every Saturday in May from 3pm-9pm we're opening the streets for a festival of fun like you've never experienced. Your adventure awaits with a fun-filled afternoon to evening program as we take over Coachmans Park and Kokoda carpark in West Lane.

Come eat, play, and discover St Marys. Relax in pop-up green spaces, drink at the open-air bar with family and friends while enjoying live music and DJ's at the outdoor stage. Grab dinner or a snack and kick back over twilight for an evening of fun and celebration.

#TheFestivalofPlace

- Penrith City Council has created the Penrith Heritage Walk – an invitation to step into our City's rich past and discover the people, places and open spaces that have helped shaped Penrith. Funded by Council and an Australian Government grant, the walk will appeal to visitors, local families, history buffs and school groups. The app guides walkers to 22 points of interest on an 11 kilometres trail from Penrith Train Station, through Thornton and along the river to finish at Emu Plains Train Station.

To start the journey, go to visitpenrith.com.au/heritagewalk

- Do you know a young person living in the Penrith LGA who contributes to making our City a better place? Nominate them now for Council's Local Celebration Awards in the Young Citizen of the Year category!

This honour is being awarded to a young person, aged 17 years or younger, who provides outstanding community service or has achieved outstanding results in their academics, sport, arts or charity work.

Nominations are open until Friday, 29 April 2022 and you can nominate someone in a few ways – either in person, online, by mail or by video.

EXPRESSIONS OF INTEREST

COVID Recovery – Special Purpose Grant

As COVID-19 restrictions lift and we return to community life, Council acknowledges the challenges for locally managed community-based facilities to reopen and provide valuable opportunities for residents to meet and connect.

The COVID Recovery – Special Purpose Grant program offers incorporated community management groups of non-Council-owned community-based facilities the opportunity to apply for a small one-off grant to assist with reopening their facility to the community during the COVID recovery phase.

Expressions of Interest (EOIs) are being sought from operators of locally-managed community based facilities in the Penrith Local Government Area (LGA) for fast turnaround grant funding of up to \$4,000 (ex. GST) per facility. Applications will be assessed on their merit and funds will be allocated equitably to eligible organisations across the City that satisfy the program objectives and meet the eligibility criteria.

Aims of the COVID Recovery – Special Purpose Grant

The COVID Special Purpose Grant aims to:

- Assist local community management groups working in our City to reopen facilities to the local community as COVID-19 restrictions lift.
- Enhance the capacity of local community management groups to provide facilities and services that respond to community needs and interests.
- Contribute to community wellbeing and community spirit.
- Increase opportunities for participation in community life, activities and programs.

Eligibility Criteria

Applicants must satisfy the below criteria to be considered for grant funding:

- The facility must be located in and operate within the Penrith LGA.
- Applicants must be a community-based organisation that caters for and/or hires to the general community. Operators of community services in Council-owned facilities or assets are ineligible for this funding program.
- Applications are open to Incorporated Associations with a turnover of less than \$20,000 per year that own a community facility/asset. Evidence of incorporated status, annual turnover and asset ownership will be required as part of the application process.
- Applicants must be able to expend and acquit all funds by Friday, 30 September 2022 and submit the required acquittal to Council.
- Expenses must be related to the re-opening and hiring of the facility to the community post COVID-19 restrictions.

Ineligible applicants include:

- Groups that have been eligible for other State and Federal recovery programs such as Job Keeper and Job Saver.
- Groups that have been eligible for other grants such as sporting associations
- Groups located in or operating from a Council asset/facility.

Expressions of Interest (cont.)

Assessment Criteria

- Does the facility hire to the general community?
- What will be delivered with the funds? How the funds will be used to support the re-opening of the facility as COVID restrictions ease (i.e. the type of works/efforts the small grant will support).
- Who will it benefit? The expected outcomes/community benefit of the works proposed using the grant funds, including the target groups engaged/catered to, anticipated number of facility users and diversity of uses.
- Perceived positive impact on community wellbeing and connection and participation of residents in community life.

How to apply

An application form can be found in the Grants section of Council's website at penrith.city/grants

Applications must be submitted prior 5pm on the closing date of Tuesday, 10 May 2022.

Eligible organisations can apply for a one-off grant of up to \$4,000 (ex. GST) per facility.
