

**LEGEND**

- Flood Planning Area
- 25 Flood Planning Level Contour (mAHD)

Preliminary flood behaviour across this area is based upon design terrain information which may not reflect final topography. Therefore, the results shown in this area are preliminary and subject to further confirmation once the development is finalised.

Please refer to the 'Penrith CBD Detailed Overland Flow Flood Study' (Cardno, 2015) for further information regarding flood behaviour across this area.
