PENRITH CITY COUNCIL

In Penrith nature goes beyond beautiful parks and waterways to encompass the positive spirit of our community.

Positively

Penrith

Council Briefs

- Penrith City Council congratulates the Penrith Panthers as they prepare for the Battle of the West against the Parramatta Eels in the 2022 NRL Grand Final on Sunday. Council and the entire community is cheering on the team as they look to take out back-to-back premierships!

Council is showing its support by lighting up the Civic Centre in shades of red, yellow and green this week and the community can be part of the action at a grand final event in St Marys on Sunday from 3.30pm.

Let's go Penrith Panthers!

- As the recent flood events in Penrith reminded us, there's more to a flood than just the water. People who experience floods often have to contend with scared children and animals. An emergency plan can help, but if you don't know where to start, you're not alone.

The FREE Get Prepared app includes tips on how to stay calm, find important information, save key contacts and helps to pin-point what you could do and where you could go in a flood event. With disasters becoming more frequent, it has never been more important to get prepared.

Get the app yourself, and tell your family, friends and neighbours to download it at penrith.city/emergencies

- Council's latest e-waste drop-off day was a great success with 451 attendees, which proves that Penrith residents continue to protect our environment by keeping e-waste items out of their household bins. Of those attendees, 82% told Council they preferred the new location at The Kingsway Playing Fields car park.

Thank you, Penrith, for never wasting a chance to take your e-waste to the right place!

Residents can take their e-waste to Penrith's Community Recycling Centre (CRC) in St Marys year-round for free. The CRC is located at Gate 3, 96 Dunheved Circuit, St Marys.

For opening hours and to find out what problem waste can be dropped off, visit penrith.city/crc

- Following its reschedule in July due to wet weather, Council will host a fun and inclusive NAIDOC event at Jamison Park on Friday 7 October, between 10am and 4pm.

The event is an opportunity to celebrate the significance of our Aboriginal heritage and the important contribution Penrith's Aboriginal population make in our community and across our vibrant City.

The free community event will feature cultural performances, market stalls, workshops, BBQ lunch and more. Come along and celebrate Aboriginal and Torres Strait Islander culture, history and heritage!
