Caddens Road upgrade between Gipps Street and Heaton Avenue, Claremont Meadows

Commencement of Construction works on Silkwood Avenue from 31 May 2021

The Australian Government is funding a \$200 million Local Roads Package as part of the Western Sydney Infrastructure Plan. Funding has been allocated for Penrith City Council to upgrade the Caddens Road between Gipps Street and Heaton Avenue, Claremont Meadows.

Quickway Constructions Pty Ltd has been awarded by Penrith City Council to upgrade the Caddens Road between Gibbs street and Heaton Avenue.

Work schedule

Works on Silkwood Avenue and Caddens Road intersection are scheduled to commence from **Monday 31st May 2021 for 4 weeks, weather permitting**. Working hours will be between 7am to 6pm (Monday to Friday) and 8am to 1pm (Saturdays). No work is scheduled on Sundays or Public Holidays.

Residents will be notified in advance of any changes to the work schedule.

How will the work affect you

Work may be noisy at times but we will do everything we can to minimise its impact, including completing noisier tasks during the day where possible, using non-tonal reversing alarms on heavy vehicles and switching off plant equipment when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe for road workers, motorists and pedestrians. **All the residents on Silkwood Avenue are requested to access from White Cedar Avenue as the access to Silkwood Avenue from Caddens Road will be blocked off.**

During construction works, some street parking near the intersection on Silkwood Avenue will be temporarily unavailable.

Please keep to speed limits and follow the direction of traffic controllers and traffic signs. Motorists may experience minor delays due to changed traffic conditions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
