BUILDING OUR FUTURE

October 2019

Removal of On-Street Parking Derby Street, Penrith from Thursday 3 October

The Australian Government is funding a \$200 million Local Roads Package as part of the Western Sydney Infrastructure Plan. Funding has been allocated for Penrith City Council to improve road safety and traffic flow efficiency at key intersections along The Northern Road.

Penrith City Council will begin work to upgrade the intersection at The Northern Road and Derby Street, Kingswood.

This work will include:

- building new turning lanes by widening Derby Street at The Northern Road intersection
- upgrading the existing traffic lights
- relocating public utilities
- building a new stormwater drainage system
- landscaping and new line marking.

Loss of On-Street Parking

As part of new design and to improve the traffic performance at the intersection parking spaces in front of 71-77, 68-74 and 82-88 Derby Street will be permanently removed

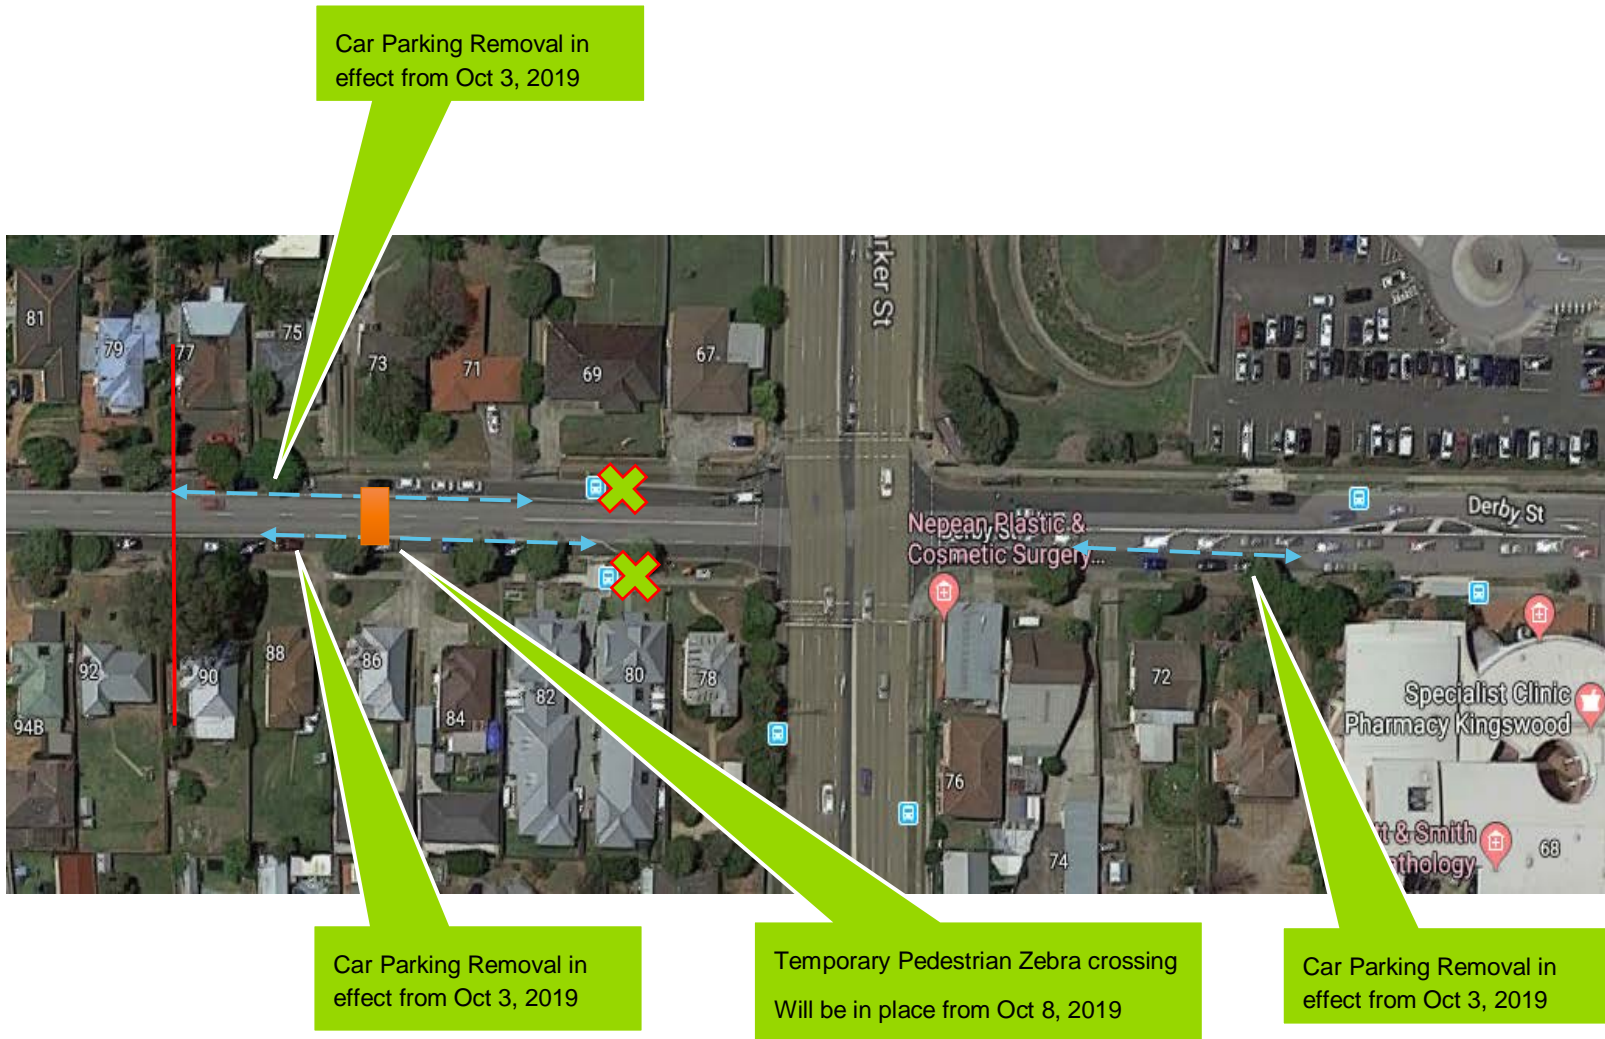

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe for road workers, motorists and pedestrians. Access through the work site will always be maintained.

Please keep to speed limits, and follow the direction of traffic controllers and traffic signs. Motorists may experience minor delays due to changed traffic conditions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Delivery Partner, DM Roads on 1800 332 660 or nsw_projects@dmroads.com.au. Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.
