BUILDING OUR FUTURE

November 2019

The Northern Road and Derby Street Intersection Upgrade, Kingswood

The Australian Government is funding a \$200 million Local Roads Package as part of the Western Sydney Infrastructure Plan. Funding has been allocated for Penrith City Council to improve road safety and traffic flow efficiency at key intersections along The Northern Road.

Works are progressing as per schedule to upgrade the intersection at The Northern Road and Derby Street, Kingswood.

Some property and initial traffic adjustment works have been completed.

Night Work

Work will commence from **Saturday 16, November** and will be ongoing through to **Thursday 19, December 2019**.

Intermittent night work will be required for up to **two nights per week**. Night work is required to be undertaken outside standard construction hours to ensure the safety of workers, pedestrians and motorists, and to minimise impacts to traffic.

All night work is weather dependent and subject to change. The residents will be notified in advance of any changes to the below night work schedule. Night work activities start from **8pm to 5am**.

Saturday	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday
16 Nov	17 Nov					
	24 Nov	25 Nov				
		2 Dec	3 Dec			
			10 Dec	11 Dec		
				18 Dec	19 Dec	

Day work

Day work activities will be completed between **7am to 6pm** Monday to Friday and **8am to 1pm** Saturday. Residents will be notified if work needs to be completed outside of these standard hours.

How will the work affect you?

Work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks in the earliest part of the shift where possible, using non-tonal reversing alarms on heavy vehicles and switching off plant equipment when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe for road workers, motorists and pedestrians. During construction some street parking on Derby Street will be temporarily unavailable. Access through the work site will always be maintained.

Please keep to speed limits and follow the direction of traffic controllers and traffic signs. Motorists may experience minor delays due to changed traffic conditions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Delivery Partner, DM Roads on 1800 332 660 or nsw_projects@dmroads.com.au.

Thank you for your patience during this important work.
