Council is providing extra bin collections for two weeks to help with the additional waste and recycling produced over Christmas and New Year's Eve.

During the weeks highlighted, place all bins on the kerbside the night before your normal collection day.

Collections will run late into the night, so please do not bring your bins in until they have been emptied.

### REPURPOSE YOUR CHRISTMAS TREE!

Council is collecting real Christmas trees for free on Saturday 11 January. Bring your tree to Jamison Park between 10am and 2pm, and we'll turn it into mulch to be used to care for local parks and gardens.
