BUILDING OUR FUTURE

March 2021

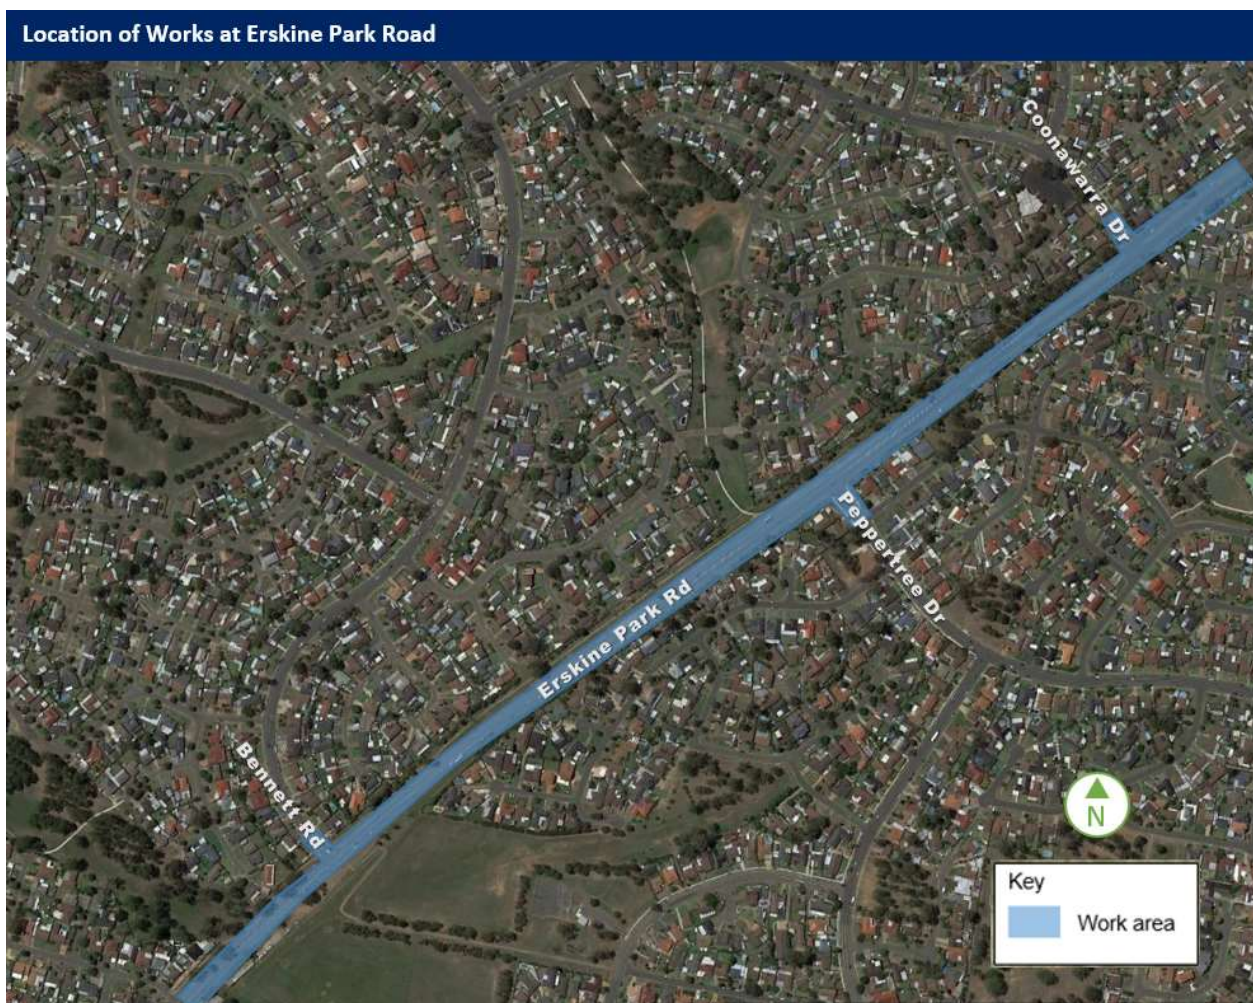

Night work on Erskine Park Road, Erskine Park from Monday 22nd March 2021

The Australian Government is funding a \$200 million Local Roads Package as part of the Western Sydney Infrastructure Plan. Funding has been allocated for Penrith City Council to improve road safety and traffic flow efficiency at key intersections along Erskine Park Road.

As part of the Erskine Park Road upgrade, Penrith City Council will be constructing new pavement on Erskine Park Rd from Illawarra Drive to Swallow Drive.

Work schedule

To complete this work, we will be on site at night from **Monday 22nd March to Friday 30th April 2021**, weather permitting. Our night work hours will be between **9pm** and **5am**.

How will the work affect you?

Work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks in the earliest part of the shift where possible, using non-tonal reversing alarms on heavy vehicles and switching off plant equipment when not in use.

Traffic changes

There may be some temporary traffic changes including short term lane closures and speed reductions to ensure the work zone is safe for road workers, motorists and pedestrians. Please keep to speed limits, and follow the direction of traffic controllers and traffic signs. Motorists may experience minor delays due to changed traffic conditions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
