## **Caddens Road upgrade between Gipps Street and Heaton Avenue, Claremont Meadows**

### **Commencement of Construction from 5 January 2021**

The Australian Government is funding a \$200 million Local Roads Package as part of the Western Sydney Infrastructure Plan. Funding has been allocated for Penrith City Council to upgrade the Caddens Road between Gipps Street and Heaton Avenue, Claremont Meadows.

Quickway Constructions Pty Ltd has been awarded by Penrith City Council to upgrade the Caddens Road between Gipps street and Heaton Avenue.

#### **Work schedule**

Works are scheduled to commence from **Tuesday 5 January 2021**. Working hours will be between 7am to 6pm (Monday to Friday) and 8am to 1pm (Saturdays). No work is scheduled on Sundays or Public Holidays. Weather permitting, work is scheduled to be completed by June 2022.

Residents will be notified in advance of any changes to the work schedule.

#### **How will the work affect you**

Work may be noisy at times but we will do everything we can to minimise its impact, including completing noisier tasks during the day where possible, using non-tonal reversing alarms on heavy vehicles and switching off plant equipment when not in use.

#### **Traffic changes**

There will be some temporary traffic changes to ensure the work zone is safe for road workers, motorists and pedestrians. During construction some street parking on Caddens Road will be temporarily unavailable. Access through the work site will always be maintained.

Please keep to speed limits and follow the direction of traffic controllers and traffic signs. Motorists may experience minor delays due to changed traffic conditions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
