

WHAT GOES IN THE RED RESIDUAL BIN?

Non-recyclables go in this bin, like wrappers, nappies and broken toys. What's put in this bin is buried in landfill which is why it's important to keep anything that can be recycled out.

We love it when every piece of waste goes in the right place!

**NEVER WASTE A
CHANCE TO
BE GREAT WITH
WASTE**

WHAT GOES IN THE GREEN FOGO BIN?

All organic materials can go in this bin, like fruit and vegetable scraps, meat leftovers, dairy, eggshells, grass and leaves. What's put in this bin is turned into compost for gardens to help things grow.

We love it when every piece of waste goes in the right place!

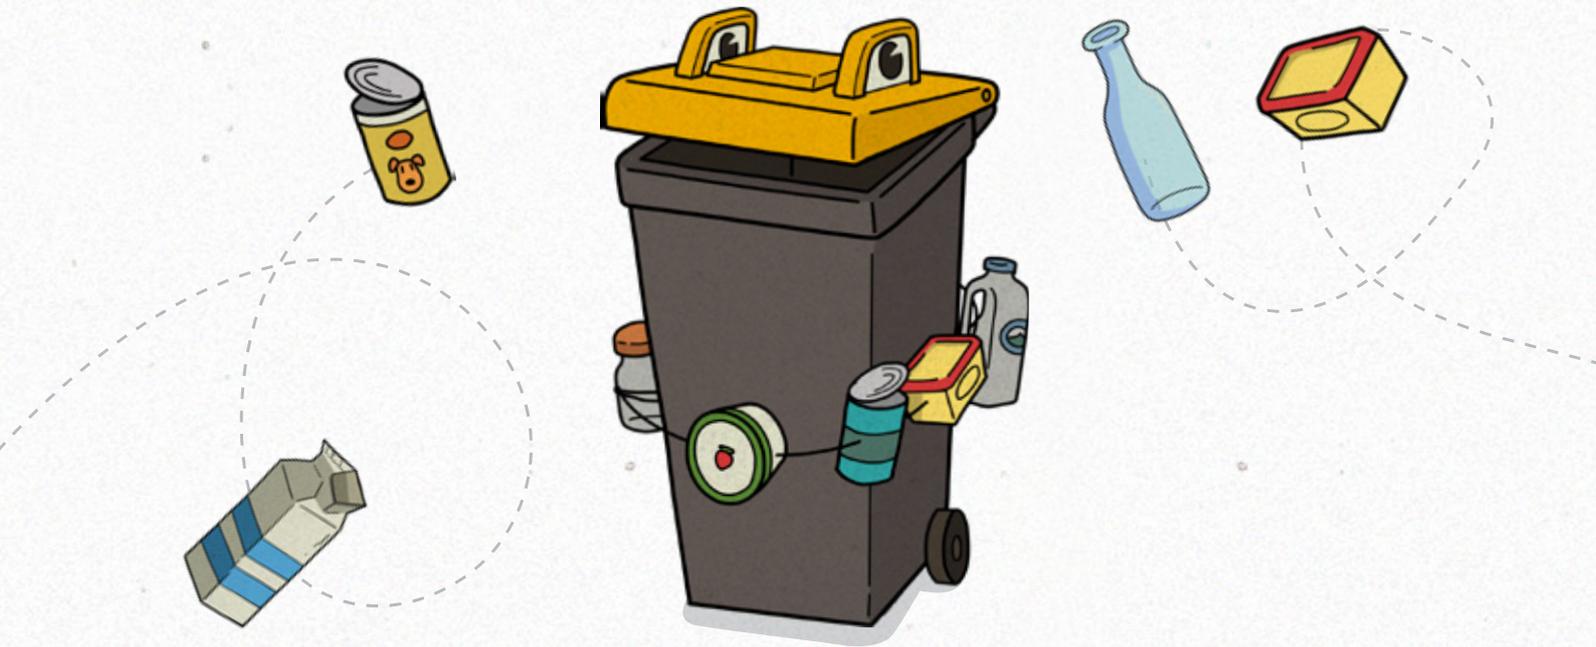

NEVER WASTE A CHANCE TO BE GREAT WITH WASTE

PENRITH

WHAT GOES IN THE YELLOW RECYCLING BIN?

Recyclable materials can go in this bin, like cardboard, glass bottles and jars and empty food tubs from yogurt and butter. What's put in this bin is made into new things for people to use again.

We love it when every piece of waste goes in the right place!

NEVER WASTE A CHANCE TO BE GREAT WITH WASTE
